"Number of reservations" means the NUMBER OF TABLES you intend to reserve. So if you select 1, it means that you have reserved 1 table for 1 hour of play.

A maximum of 4 people can play at the same time on 1 reserved table.

You can reserve a table by clicking on the selected time on the calendar. You can see the number of available tables at the time, and multiple tables can be booked for the same time. After booking, you will receive a confirmation by email. If you have any questions, please contact us!

You can cancel your table reservation no later than 1 hour before the reservation time. However, we ask that you cancel your reservation as soon as possible if you cannot come, so that we can give the table to someone else.

To book a table, click on the blue "Book a date" button.
